Welch, Francis X.: IN THE NATION'S CAPITAL:

President Eisenhower kicks off budget controversy by early announcement that he expects to send balanced budget recommendation to Congress. CWA expected to push for elimination of operator exemption in Fair Labor Standards Act. Russia's telephone statistics reported first time since 1936, Jan. 3. . . . House sub-committee makes final report on reform of alleged irregular practices of federal commissions, including FCC. Sees AT&T stock split as a "dramatic exemplification of the American way" of private initiative, Jan. 10. . . . Reviews new make-up of Congress and importance of powerful House Rules Committee as a brake against "spenders" and anti-business advocates. Maine commission rules power company must take accelerated depreciation tax whether it wants to or not, Jan. 17. . . . Self-styled liberal wing in the Senate "left in the wings" in vote on changing filibuster rules. Bills in Congress reviewed. FCC proposes rules affecting mobile radio equipment leased from and maintained by Bell companies. Court upholds power company's rules on customer deposits, Jan. 24. . . . Eisenhower announces in budget message that the government would like to get out of long distance telephone business in Alaska. Recommends that railway unions, worried over loss of passenger business, take a look at action of hatters' union to save hat business. FCC issues report, Jan. 31.

House continues life of Sub-committee on Legislative Oversight. Strike violence included in Congressional bills to halt "hate bombings" and acts of arson and sabotage against schools, churches, synagogues, etc. House committee proposes probe into "political propaganda efforts" by power companies, Feb. 7. . . . NRECA and NTCA meet in Washington. FCC hopes to speed up final decision on rates for private line and teleprinter services. FCC chairman sees trial of pay-TV by late 1959. Rock-and-roll enters propaganda scene in cold war with Reds, Feb. 14. . . . Eisenhower and Cooper speeches at NRECA Washington meeting bear on possibility of lifting REA 2 per cent interest rate. AT&T sends letter to FCC stating its decision to get out of lease-maintenance private mobile telephone business, Feb. 21. . . . Defense Secretary asks Congress for authority to sell Alaskan Communication System to private industry. Wisconsin senator to propose bill to replace FCC with panel of "lifetime" judges. Reviews two books of interest to utilities, Feb. 28.

House committee to investigate frequency allocation of entire spectrum; radio also means for strengthening effectiveness of six regulatory commissions. U. S. Supreme Court renders decision on legality of taking advertising as tax deduction; also decides case involving exchange of radio stations and one on rental charge for use of city streets, Mar. 7. . . . Castro orders cutback of rate increase granted to Cuban Tel. Co. (ITT-controlled) by Batista and orders company to be put under Cuban control. Eisenhower asks Congress to establish commission to study space-age communication by radio. House group opens hearings on bill to relieve control of REA from Agriculture Department, Mar. 14. . . . FPC hears representative of 71 electric utilities on proper accounting classification of expenses incurred in advertising supporting private enterprise. "Open-end" application for rate increase discussed. California commission urged to fix rates to require utilities to ask for and pass on to ratepayers so-called benefits of accelerated depreciation, Mar. 21. . . . Telephone companies will be interested in radio and TV industries' move to get more frequency allocations. Nation's capital goes DDD. Virginia court upholds "attrition factor" in approving Bell rate increase . . . disapproves assumed debt ratio, Mar. 28.

Senate committee's Taft-Hartley "reform" would "freeze" service assistants in communications field as far as labor unionization is concerned. Dubs current craze of college students cramming into telephone booths as "Suffocation Derby." FCC favors merger of international telegraph companies that are owned by U. S. interests, Apr. 4. . . . U. S. Supreme Court upholds conviction of two men for conspiring to blow up telephone plant in 1955 CWA strike against Southern Bell. High court also dismisses appeal from California Supreme Court upholding right of state commission to grant interim rate increases without formal notice or hearings. FCC continues hearings on radio frequency allocations, Apr. 11. . . . Senator Johnson "fast on the draw" in proposing commission to study job-aid proposals. Senate passes bill to strip Secretary of Agriculture Benson of veto power over big REA loans. New York commission declares tax savings from accelerated depreciation must be considered savings for rate-making; utilities must take advantage of such savings, Apr. 18. . . . Humphrey-Price REA Bill passes . . . evidence that heckling season is on in Congress. Discusses whether probable veto of bill will be sustained. Inside report on selling-by-telephone meeting. Bill to regulate subscription TV introduced. Bell companies file revised TWX rates, Apr. 25.

AT&T faces big problem in holding future stockholders meeting with projected increase in shareholders. . . . More than 12,000 attended meeting on Apr. 15. . . . Points to democratic climate of such corporate meetings. Developments at FCC outlined, May 2. . . . Navy's proposed sale of Newport telephone plant criticized by congressman. Rayburn not happy about failure of House to override President's veto of the REA anti-Benson bill, May 9. . . . FCC hears arguments on examiners' decisions on two important subjects—(1) Wisconsin Bell's purchase of Independent properties at Menomonee Falls and Lisbon, Wis.; (2) renewal of license to AT&T for radio-telephone service between mainland and Hawaii. FCC frequency allocation hearings begin May 25. AT&T applies for gradual increase in private line rates, May 16. . . . House Judiciary Sub-committee approves soon-to-be-published report on handling of the government's antitrust suit against AT&T. Air Force demonstrates worldwide communications hookup. Outlook for telephone operators' exemption assessed. Experimental pay TV faces stormy future, May 23. . . . House Judiciary Subcommittee delays releasing report on government's antitrust suit against AT&T. Propose advisory group to oversee federal regulatory agencies. Tabulation of bills affecting FCC. New York City sells subway power plants to private ownership. REA funds approved unopposed by House, May 30. Report of House Anti-trust Sub-committee on AT&T Western Electric consent decree analyzed. Democrats, through the sub-committee, charged with trying to make utilities political issue in 1960, June 6. . . . FCC celebrates 25th anniversary. AT&T stockholders increase since 3-for-1 split. Representative Bennett accuses House Legislative Oversight Committee, set up to investigate attempts to influence FCC, of putting pressure on FCC, June 13. . . . House committee holds hearings on allocation of frequencies in so-called radio spectrum. FPC studies rules to bar outside "informal" contacts. Sen. Kerr introduces bill to terminate telephone excise taxes on June 30, 1960, June 20. . . . Address given at joint Kansas-Missouri Telephone Association convention, June 27.
